There are tremendous opportunities for trade and investment between the United States and Africa's fast-growing economies — and the U.S. Government is committed to helping businesses and investors unlock these opportunities.

## This is where Prosper Africa comes in.

Prosper Africa is a Presidential-level national security initiative aimed at strengthening the strategic and economic partnership between the U.S. and Africa by catalyzing transformative two-way trade and investment flows. Working hand-in-hand with the private sector, the U.S. Government facilitates transactions and shapes future opportunities by fostering healthy business climates. Together with the private sector and African government partners, we are building new markets for American products, driving billions of dollars of investment in Africa, and creating thousands of jobs for both African and American workers.
